*Dear Participants,*

*On behalf of Scientific and Organizing Committee we have an honour to invite you to participate at the **Third Baltic Stem Cell Meeting (BSCM)** which is taking place at the Nencki Institute of Experimental Biology Polish Academy of Sciences in Warsaw, Poland on **18-19 June 2015**.*

*The 3<sup>rd</sup> BSCM will gather top scientists from Europe, North and South America, and Asia. This meeting will focus on topics related to proceedings in stem cell biology, a role of adult stem cells in regeneration with special emphasis on VSELs (very small embryonic like stem cells) and their potential applications in clinical medicine as well as to cell-cell interaction by extracellular microvesicles. The Baltic Meeting will be an excellent opportunity to exchange ideas and new scientific contacts, listen to the state of the art lectures as well as to participate in workshops related to stem cell biology.*

*If you have any questions contact us at [kzfizjol@pum.edu.pl](mailto:kzfizjol@pum.edu.pl).*

*Mariusz Z. Ratajczak M.D., Ph.D. d.hc.
